Long a staple at Optimist Park, the old and much used 40' Storage Trailer has left its place at Optimist Park. Not sure what the future holds for it ... best guess is it will be turned into scrap.

We have [Steve Boeckman](#) to thank for nearly a year of work on getting it ready to leave Optimist Park, The best we know is that it was originally donated by Joe Murphy. I asked Steve to let Joe know it was leaving Optimist Park. Steve assured me that he would let Joe know the next time Joe attended a MOC meeting.
